April 2009

From Our President...

Hi Ladies-

What a fun meeting with Cheri' and Donna from the Missouri State Quilters' Guild. I have belonged to the state guild for many years, but have only made one retreat. I think the 2009 retreat will go on my "to do list". It is a lot of fun, good food, nice rooms, and lots of giveaways!!! Next month we have Patricia Reagan, Department Chair of the Fine Arts Department at SEMO, speaking on Blended Techniques, Color and Design. I don't know a lot about color myself, so I am looking forward to this program.

I continue my march toward finishing UFO's. I am making progress, but I think Caroline is ahead of all of us in that category. And, what about three stork scissor pins in three months for Karla???? We continue to have great show and tell. I am all wrapped up in getting ready for the retreat so may have a P.S. after we get back.

Keep quilting

Madeline

P.S. Retreat was wonderful as usual. There were 48 ladies present in seven cabins. Lynnore has reserved eight cabins for next year and there are many that are going on Wed night to make it a five day retreat. If you weren't there, please consider it for next year. We met another group from Murray, KY and invited them to "party" with us on Sat night. They are planning to meet us again next year, same time, same place.

April Program: Patricia Reagan, Department Chair of the Fine Arts Program at SEMO will enlighten you on blended techniques, color and design. She will also talk about dyes. Come and enjoy this timely program.

Fat Quarter

*Bring a **green** fat quarter to the April meeting and you will be entered to win a basket of Fat Quarters.*

Hospitality for April Meeting...

SNACKS: Jeannette Buchheit, Merle Deneke, Mary Belle Dohogne, Judy Douglass, Deanna Easley, Nancy East, Jewel Eggle, and Lois Emerine.

DRINKS: Michelle Bogenpohl, Mary Alice Carlton, Martha Cox, Dee Roe Carter, Roselyn Conrad. It is suggested that each person listed bring 2 two liter drinks.

If you are unable to bring your assigned item, please call Darla Snider.

RETREAT REPORT: from Lenore Meyer
I think everyone had a wonderful time on the retreat. There was lots of laughter, sewing, shopping, visiting, and even making new friends as we met up with another quilting group from Murray, Ky. I have reserved an additional cabin for next year plus extended our reservation to Wed. thru Sun. Mark your calendars for March 10-14, 2010. One cabin has already responded that they want the extra day next year. For this to be economically feasible, we will need to have at least five to a cabin on the extra night. Cabin mothers please contact me, Lynnore Meyer, if you have quilters who wish to extend the retreat for the extra day.

From Vicki Butner: I attended RHQG retreat last weekend for the first time and had a wonderful time. I just moved to Cape last August and have been attending guild meetings since then. Retreat was not only a way to sew for hours on end, it was also a way to actually get to know some of the members of guild. It's nice to find people that not only have quilting in common but also many other interests in common. One of those was FOOD. We had great food in the cabin and went to some great restaurants in the area. And the banana splits -- delicious! Plus, we had the love of fabric shopping in common. I'm pretty sure I won on that contest this time! Hancock's is a huge candy store for quilters. The view from the cabin was excellent, especially watching the dog run beside the lady in the golf cart. And to top it off, I have FINISHED the quilt top that was started at retreat (well, the borders still have to be added.....). I must say though, I slept for several hours Sunday afternoon after lunch. All that sewing and visiting is tiring! Thanks to one and all for including me in this great event and I look forward to next year already!

THE **IRON QUILTERS** CHALLENGE BEGINS IN APRIL.

This is going to be a fun, think-outside-the-box challenge. There are no rules to what you do or use on your quilt except that you use the Theme and the Secret Ingredient, and the size will have a limit.

Almost all of them will be under 15 inches by 15 inches. This means it can be any combo you want, 8x 10, 10 x 8, 15 x 5, 5x 12, 3x5, 3x3, get it?

- Instead of giving everyone one day to do the challenge you will have one week.
- The theme and the secret ingredient will be given out on the Monday before the next guild meeting. You will find out Monday morning if you attend the Golden Needle class. The theme and secret ingredient will be posted on the guild site on Monday evening for everyone else to participate from home.
- You do not pay the fee if you participate from home, because you are using your own fabrics, and supplies.
- The people who join in the Monday group challenge class will work on their own individual quilt but will have tons of fun things and ideas to use while they are in the class.....this will make the challenge part even more fun!
- Materials provided at the class will include fabric, buttons, beads, ribbons, stamps, charms, spoons.....odds and ends galore!
- There will be threads at the class also, but if you have a preference for your machine, you should bring an assortment of your own to use.
- The class will be held from 10:00 to 3:00 at the Golden Needle in Cape on April 6th, June 1st, August 3rd, and October 5th (All four dates are on a Monday the week before a guild meeting.)
- The class fee is \$10.00. *Email or call Anastasia Gonzales if you want to attend.* There were only seven spots left when this article was written, so contact her soon.
- Bring your machine and basic sewing supplies, (scissors, pins, mat and rotary cutter, ruler, and hand needles (if you think you will be doing more hand sewing). The guild website has a list of Basic Sewing Supplies.
- At the class, drinks will be provided....water, tea, lemonade. Bring your own lunch.

IT IS GOING TO BE REALLY FUN!!

The finished product will be shown at the Guild meeting the following MONDAY NIGHT, where we will vote on our favorites.

You do not need to have the whole thing done, just a top is fine for the showing, but you are welcome to finish as much as you want.

Really great PRIZES WILL BE AWARDED!!!!!!

See Anastasia Gonzales if you have any questions.

This is a fabulous web site by Bonnie Hunter. She must have at least 30 patterns that are free, and scrappy and the squares are approx. 3 - 1/2 in. raw edge to raw edge. She had a mystery quilt called " Orange Crush " last year.

OPPORTUNITY QUILT

We would like to thank all the guild members that offered to help with the Opportunity Quilt. Many of you were kind enough to offer your help while at home, or on the extra days we didn't have to need, and those that graciously came to the Sewing Basket to assist in constructing the quilt. We have a wonderful group of caring and talented women. The Guild is so fortunate and we are blessed with your help. Soon, all will see your wonderful work. Thanks, Barb Miller and Mary Green.

Bacon, Cheese and Potato Chowder
3 c milk
1 can condensed cream of potato soup
2 c frozen hash browns
Salt, pepper, garlic or other seasonings as desired

Mix milk and soup in saucepan. Stir in hash browns. Bring to boil on high heat, stirring occasionally to prevent scorching. Reduce heat to medium-low and simmer, stirring frequently.
Top with sharp cheddar cheese (any kind of cheese is good), crumbled bacon and thinly sliced green onions. It's only "Bacon, Cheese & Potato Chowder" if you add all of this. Otherwise, it is just potato soup!!!
