

Quilt Chatter

From Our President...

Happy New Year!!!!

Of course, for me right now, it's really NOT the New Year yet because our newsletter items have to be turned in by December 20! (LOL) With the beginning of a new year, I always find myself looking back at the previous year, remembering the good and the bad, and telling myself that things will be different the coming year. And, honestly, in respect to the things that I do have control over (except diet and exercise), things do improve when I put them in writing, stick them on the frig door, and staple them to my planner! So here goes.....

2010 New Year's Goals/Resolutions:

1. Invite all members to come to my house for small group togetherness;
2. Encourage everyone to become involved with some aspect of the guild and contribute in some way (big or small);
3. Make quilt tops that do not need multiple colors of thread when quilting them;
4. Each month make either a silent auction item or work on a community quilt;
5. Completely stop my long-arm quilting machine when I want to watch something on television or talk to my husband;
6. Call either a family member or friend once a month and just visit!

Now, it's your turn to get a cup of tea, ponder over your past year and put in writing what YOU want to achieve in 2011!

I'm so looking forward to serving you as president this year!

Vickie

Mini-Group Get-Togethers!!!!!!!

Goal/Resolution #1: Invite all members to come to my house for small group togetherness!

Here's my plan.....I would like to have up to 10 people per slot. On most of the days, I'll have a group in the a.m., then one in the p.m. and we'll overlap our lunch time.

What will we do? Visit, sew, eat, laugh, maybe shed a tear or two!

Email me at Howardv@cape.k12.mo.us the date you would like to attend.

REMEMBER TO RENEW YOUR MEMBERSHIP FOR 2010! You need to renew/ join by the February meeting in order to have your name in the yearbook.

Sweet Cheese Delights

modified from Jennifer Houck Spink at <http://www.mycrescentwow.com/home/?fbid=-yXsEdvewUO>

INGREDIENTS

- 2 packages (8 oz each) cream cheese, softened
- 1 cup sugar
- 1 egg yolk
- 1 teaspoon vanilla
- 2 cans (8 oz each) Pillsbury® refrigerated crescent dinner rolls
- 1 cup chopped pecans
- 1/2 cup packed brown sugar
- 2 tablespoons butter, melted
- 2 teaspoons ground cinnamon
- Powdered sugar

DIRECTIONS

1. In large bowl, beat cream cheese and sugar with electric mixer on medium speed until fluffy. Add egg yolk and vanilla; beat on low speed until blended.
2. Grease a 13 by 9 inch glass baking dish.
3. Unroll 1 can of dough and place in bottom of dish. Press the seams together to seal.
4. Spread with cream cheese mixture.
5. In a small bowl, mix pecans, brown sugar, and cinnamon. Sprinkle half the pecan mixture over the cream cheese layer.
6. Unroll the other can and lay it out carefully on top of the cheesy mixture. Press seams together (but don't worry if they don't stick together well on this layer).
7. Sprinkle remaining pecan mixture over top.
8. Pour the melted butter over the top (or spray with spray butter)

"River Quilts featuring The Everchanging River",

December 9, 2010 - March 7, 2011

National Quilt Museum, 215 Jefferson St., Paducah KY

Monday-Saturday, 10 a.m. - 5 p.m. (central time)

Between April 1 - October 31, the museum is also open Sunday, 1 - 5 p.m.

The National Quilt Museum honors Paducah's river front with their new exhibit, "River Quilts featuring The Everchanging River." More than 30 quilters were asked the question, what is a river? They were then given a piece of river fabric along with the entrance and exit points. All their quilts are hung side-by-side to create a 49-foot river.

Twenty-two additional river-themed quilts by noted quilt artists, round out the exhibit.

Directions:

From I-24 EAST From the North: Take Exit 4 (Route 60), at end of exit ramp turn left. Continue on this road 4.5 miles, it will become one way (East Business Route 60). As you travel into downtown Paducah, The Executive Inn Hotel will be located on your left. Continue to Broadway and turn left. Travel one block to 3rd Street, turn left onto 3rd St. The entrance to the museum's parking lot will be one block on your right. NOTE: 3rd and 4th streets are one-way in opposite directions, and Broadway and Jefferson are one-way in opposite directions.

QUILTING TIPS

An alternative to hand basting: A great way to stabilize a quilt while doing decorative quilting is to first use water soluble thread to sew straight basting lines across the quilt surface. Use the water soluble thread for the top thread and in the bobbin. Then, once all the real quilting is done, all you need to do is wash the quilt and the stabilizing lines come out!"
