

Bust your Stash with Creative Grids®

Join us for an action packed “Play before you Pay Creative Grids® event. All rulers and fabrics are provided so you can make four to five different blocks – and learn additional techniques – in a fun and easy class. Create blocks that include fudge factors so beginners to experts can sew them in a matter of minutes. Make perfect “Log Cabin” blocks by trimming each round as you go. Learn how to sew star blocks with floating points – and never cut a triangle. Create “Square on Square” blocks in two sizes from one tool. And, finally, sew a twelve petal Dresden Plate block and learn how to “separate” it to create even more design possibilities.

Featured Creative Grids® Rulers:

- Log Cabin– 6” – CGRJAWM6
- Strippy Star - CGRDH2
- 8” Square on Square – CGRJAW8
- 30 Degree Starburst - CGRISE30

Once you know how to use the tools, these techniques can be combined to make this queen-sized Medallion Quilt. The pattern is only available to shops who host a Creative Grids® event – and is your gift for attending the workshop!

Note: This quilt also uses the four-inch log cabin – #CGRJAWM4 and the Round Up Tool – #CGRATK1.

Supplies for class:

Bring basic sewing supplies as well as a sewing machine with a ¼” foot, a rotary cutter and neutral thread. Mats, rulers, fabric, and pencils are provided at demo stations. (You may bring a small mat and iron to use at your machine.)
