

# ST. LOUIS FOLK VICTORIAN

BY KRISTY DAUM

## WORKSHOP INFO & SUPPLY LIST

### Modern D9P & Using Negative Space in your Quilts

The Nine Patch is one of the first blocks that a quilter learns to make; yet don't take this block for granted. This workshop is a great introduction to using negative space, whether through building a block or composing a quilt. With your new-found appreciation and knowledge, you can create something entirely new from something beloved.

::: Students of all experience levels are welcome, at minimum you must know how to machine piece and use a rotary cutter

---

#### Choosing your Fabrics:

*Print:* Medium to small scale bright or modern prints; which can include directional or fussy-cut type fabrics. You will need a minimum of 4 different prints; but the more the merrier. The fabric can be any combination of charm pack squares, fat quarters, scraps (larger than 5" x 5"), etc.

*Background:* A solid cotton fabric or semi-solid that "reads" as a solid.

#### Modern D9P Workshop Supplies:

- Print Fabrics: (72) 5" x 5" squares or a total of 1 1/4 yards for a lap-size 45" x 65" quilt. This can be made up of any combination as mentioned above; yet if you are cutting your own squares, please ensure that you have at least (40) 5" x 5" squares already cut so you can jump in when class starts.
- Background Fabric: Minimum of 2 yards for a lap-size 45" x 65" quilt. A larger or more complex quilt will require additional fabric. Please ensure that you have at least (50) 5" x 5" squares already cut so you can jump in when class starts.
- Sewing machine
- Basic sewing supplies (scissors, seam ripper, pins, etc.)
- Neutral thread
- Ruler for cutting fabric
- Rotary Cutter

#### General Workshop Supplies:

Please check with your Event Coordinator to see if the following is provided or if you will be responsible for bringing your own.

- Surge Protector/Extension Cord
- Cutting Mat
- Iron
- Ironing Board or Ironing Mat

Please contact me if you have any specific questions, I can be reached at [stlouisfolkvictorian@gmail.com](mailto:stlouisfolkvictorian@gmail.com)
